Learn Computers in 3 Days

- LIMITED TIME?
- BUDGET RESTRICTIONS?
- FEEL YOU'RE A COMPUTER DUMMY?
- YOU'RE NOT ALONE...

We all know that time is money and nowadays you really need to know at the very least, some basic skills to get you up and running with Email, Internet, Word Processing, Presentations & Spreadsheets. Your neighborhood computer service store, **SALCO TV VIDEO & COMPUTER SERVICE** is now introducing short-term computer classes to get you started in a FEW HOURS!

“With Ceil Hansen’s unique and interactive training style, I learned how to use my computer in a few days because I had no time to waste. Community college courses would have cost me a bit less but you get what you pay for...I would’ve been sitting in a 4-hour evening class for 6 months!”

SALCO TV VIDEO & COMPUTER SERVICE has been providing complete electronics repair solutions to customers in Granada Hills and the San Fernando Valley since 1987. Come in for FREE Estimates!

Seating is limited. Reserve your spot now! ▶▶▶
